ecomaine Required Vendor Training

Dear **ecomaine** vendor,

As part of your upcoming work responsibilities with **ecomaine**, we ask that you please review our required contractor training show (link at top of page at www.ecomaine.org/commercial). This training addresses behavior, safety, and environmental policy requirements that must be followed while working on **ecomaine** premises. Once you and all staff working on-site have completed reviewing this training, please fill in the sheet below and return it to Environmental Specialist, Mark Maritato, via fax (207-773-8296), by e-mail: maritato@ecomaine.org, or in person to Mark's mailbox near reception on Level 2R. Thank you for your attention to this important matter!
