- Energy Alternatives and more!

GROW YOUR BUSINESS AT ECOMAINE'S GREEN EXPO

Join Maine's first ever Green Expo on November 15th, 2007! Many of us have found ourselves seeking out greener solutions for our daily lives. **ecomaine's Green Expo** will showcase the newest, most innovative, and most effective eco-friendly products on the market. Attendees will find plenty of resources with more than 60 companies gathering at the Sullivan Gym at USM to promote the latest in sustainable options.

PLAN TO EXHIBIT

Brought to you by **ecomaine**, leaders and dedicated supporters of recycling and environmental protection, this expo is a one-stop show for helping "Grow Your Business" with product demonstrations, seminars, and special hands-on tips shared by industry experts all designed to help you live 'greener'.
