

ecomaine's 2010 Open House

Saturday, September 25th

8:30-11:30 am

Left, making recycled paper

Oscar (right) was created of recycled materials by students from the Narragansett School in Gorham!

In our free drawing, Miles Fischer, of Portland, won the kayak! Miles (above, at the helm) is shown with his family. The kayak was made of 100% recycled material. Congratulations Miles!

Artist Michael Sauro (left) uses recycled metal for his sculptures ...and for this unusual bicycle!

Jack Hammer (far right), from the City of Portland, greeted everyone!

This beautiful sink (left) was made using recycled glass by StoneCraft (Gorham).

Carlos the Spider (left) was made by Gray-New Gloucester Middle & High School students out of recycled materials!

Ecomaine General Manager Kevin Roche (white shirt) led tours through Maine's only single-sort recycling facility.

This giant bouquet of flowers (right) was made by students at the Wells-Ogunquit elementary school from cereal boxes and aluminum plates!
