

Recycling is a Work of Art

ecomaine's competition to paint a "silver bullet" recycling container with your own design!

Competition Rules & Other Information

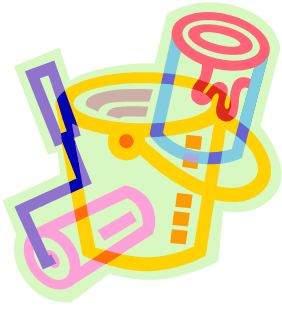

- ✚ Eligibility: any person (including professional artists) or group; at least one person must be a resident of one of the following **ecomaine** affiliated municipalities:

Andover	Eliot	Harrison	Monmouth	Poland	Scarborough
Baldwin	Falmouth	Hiram	Naples	Porter	South Portland
Bridgton	Freeport	Hollis	Newington (NH)	Portland	Standish
Cape Elizabeth	Gorham	Jay	North Yarmouth	Pownal	Waterboro
Casco	Gray	Limington	Ogunquit	Readfield	Wayne
Cornish	Greenland (NH)	Livernore Falls	Old Orchard Beach	Saco	Windham
Cumberland	Harpswell	Lyman	Parsonsfield	Sanford	Yarmouth
		Manchester			

- ✚ Each winner will receive a \$500 credit to purchase paint and related supplies.
- ✚ To paint the silver bullets, winners may use ecomaine property or ecomaine can deliver the silver bullet to the painter's location.
- ✚ Designs must use at least a portion of all four sides of a silver bullet and encourage recycling through the theme of **"Reduce, Reuse and Recycle in Maine"**.
- ✚ Designs must be drawn on a copy of the official entry diagram (attached), which may be enlarged; if requested, ecomaine will mail an 11"x17" hard copy (dunn@ecomaine.org or 523-3108).
- ✚ The four signs with recycling instructions and the "ecomaine" sign must be left in place (not painted).
- ✚ Please note that four small sliding doors exist along the top of the long sides – you may chose to paint these or ignore them; one short side has an indentation for transporting by truck. See attached photos for more detail.
- ✚ Entries must be received by **Friday, March 30, 2012** at 5:00 p.m. and can be delivered by e-mail (dunn@ecomaine.org), Fax (773-8296), by US mail or in person at 64 Blueberry Road, Portland, 04102.
- ✚ Winners will be announced on Friday, April 8, 2011 and all painting must be completed by Thursday, July 31, 2011.
- ✚ Once painted, the silver bullets will be placed randomly among our participating communities and will be moved according to demand for usage.

If you have questions, please contact Communications Specialist Shelley Dunn at dunn@ecomaine.org.

ecomaine has the only single-sort recycling facility in Maine; it is a nonprofit, municipally owned and operated organization that also has a waste-to-energy plant and an eco-friendly landfill. Learn more at www.ecomaine.org.

Recycling is a Work of Art

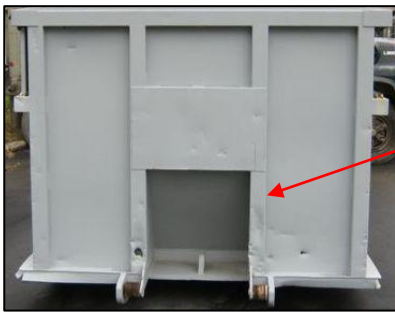

Sliding doors across the tops may be painted or ignored.
