

# Recycling is a Work of Art

Enter **ecomaine**'s  
competition to  
paint a "silver bullet"  
recycling container  
with your own design!

Each metal recycling container provides a space that is 22' 6" x 6' 10" on two sides and 8' x 6' 10" on two sides. It's a big canvas to get your recycling message across, so let your imagination go!

*As many as SIX winning designs will be chosen.*

**ecomaine** will give each winner up to \$500 for paint supplies and, then, it's up to you and your team to do the painting. The "silver bullet" can be delivered to your address or you can do the painting on **ecomaine**'s property (Portland).

You or at least one member of your team must be a resident of an affiliated community. For a list of all 43 communities, specifications, rules, and an **ecomaine** entry form, visit [www.ecomaine.org](http://www.ecomaine.org) or contact Shelley Dunn at [dunn@ecomaine.org](mailto:dunn@ecomaine.org). **The entry deadline is Friday, March 30, 2012.**

**Here is a creatively painted silver bullet from the 2011 contest:**

*Cape Elizabeth Middle School, 2011*
