ecomaine

Hauler Health, Safety, & Environmental Rules

ecomaine
Summer 2021

Keep a distance of 10 feet between your vehicle and the one next to you!

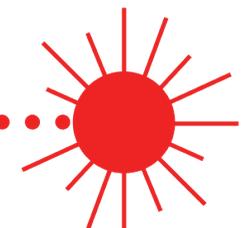

CAUTION

ecomaine uses lasers to mark its lanes

DO NOT LOOK INTO THE BEAM

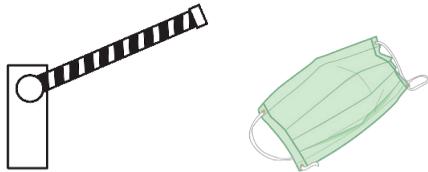

AND STAY IN YOUR LANE

1. Do not enter the tipping hall until the operator gives you permission.

Wait for the automated arm to lift.

Please consider using a face mask or covering when in the Tipping Hall

2. Stay within four feet of your vehicle - never cross the tipping hall without the operator's permission.

3. Motion to the operator if you need assistance - make sure you have their attention before approaching.

4. No children are allowed out of the vehicle.

5. Only one person should exit the vehicle unless another is needed to unload.

6. Wear shoes with good traction soles and safety glasses.

7. Wear hi-visibility clothing and gloves for hand protection.

8. Hearing protection is recommended. Ask the Scale House Attendant if you would like some.

9. Stay a minimum of six feet away from the trash bay openings and chutes.

10. Keep ten feet of distance between your vehicle and the one next to you.

11. No alcohol or smoking is permitted on site.

12. Be vigilant to other traffic in the area where you are dumping.

13. Be vigilant when large trucks are dumping next to you - unstable loads may create rolling debris hazards in your area.

14. Maintain appropriate speeds at all times, especially while entering or exiting the tipping halls at the Recycling and the Waste-to-Energy plants.

15. Blowing litter of any kind is not acceptable. Please make sure your loads are covered when coming into the facilities as well as when leaving them.

16. Liquid leakage on roads and driveways is not acceptable. If a leak occurs, it is up to the driver to obtain Speedy Dri from the tipping hall to contain the spill immediately. Promptly notify the tipping hall attendant.

17. ecomaine is not licensed to accept hazardous waste of any kind. If you spot suspicious waste in your load, please promptly notify the scale house or tipping hall attendants.

Thank you for doing your part to help make ecomaine operations safe and to keep our environment clean. We all have a stake in the success of these vital operations.

And thank you for your business!
