The Sub-Committee voted to recommend to the Executive Committee that we list the Gorham Property without a broker at \$2.2 MM with the understanding that we don't have to sell the property. It's in our best interest to be patient for the right offer. A sign should be placed at the property and at least one ad should be placed in a newspaper of general circulation. A vote was then taken with 5 members in support, 1 member opposed.

**Other:**

Troy Moon told the Sub-Committee that Kevin Roche had an additional item under "Other" that he would like some feedback on.

Kevin Roche updated the board members on where he was at with the Regional Hauler Permitting and Compliance Program. He discussed some concerns he was having with both the hauling community and member communities. It was noted that one board member was opposed to including this discussion on the agenda under other. After some discussion, Board members suggested that he bring these concerns before the Executive Committee next month.

Dave Cole made a motion to adjourn the meeting and the motion was seconded by Matthew Frank. All in favor.
