# 2011 eco-Excellence Awards

## Honoring local environmental activities

**Each of ecomaine's 39 municipalities can have one of its citizens, businesses, or organizations honored with the eco-Excellence Award. The nomination process is quick and easy, so take a minute to give recognition to a person or business in your community.**

Judges from the ecomaine board's Recycling Committee will select one winner from each municipality; then, all the award recipients and their nominators will be invited to a special awards presentation luncheon held in their honor on **Tuesday, March 16th** in Portland. Following the award presentations, one Grand Award winner will be announced, chosen from among all the individual community recipients.

**Award criteria:** effectiveness, increased awareness, community impact, and ease of replication.

- *Anyone* may submit a nomination; both self-entry and the nomination of others are encouraged.
- Award recipients may be individuals, groups, businesses, or organizations.
- All green activities or efforts are eligible and welcome – regardless of size or scope.
- The activity/effort must have occurred in 2010 or be on-going.
- There are no age restrictions.
- Nominees must live in or work in the municipality for which the award will be given.

**Entries Due: Friday, February 5th**
