

ecomaine Required Contractor/Vendor EH&S Training

Insert Company Name Here

Dear **ecomaine** Contractor/Vendor,

As part of your upcoming work responsibilities with **ecomaine**, we ask that you please review our required Environmental, Health & Safety (EH&S) training show (link at top of page at www.ecomaine.org/commercial). This training addresses behavior, health & safety, and environmental policy requirements that must be followed while working on **ecomaine** premises. Once you and all staff working on-site have completed this training, please fill in the sheet below and return it to Environmental, Health & Safety Specialist, Mark Maritato, by e-mail: maritato@ecomaine.org, via fax (207-773-8296), or in person to Mark's mailbox near reception on Level 2R of the Waste-to-Energy plant. Each person completing training will be provided an EH&S helmet sticker that must be visible on their hat. This sticker is good for one calendar year. Thank you for your attention to this important matter!
