

ecomaine

Request for Qualifications

for

Engineering services

Introduction

ecomaine is a quasi-municipal non-profit corporation organized under the laws of the State of Maine and is owned by twenty one member communities. **ecomaine** owns and operates a waste-to-energy facility, single sort recycling facility and ashfill landfill facility all of which are located within a three mile radius.

Background

ecomaine utilizes the services of local engineering firms that have multi discipline engineering services. **ecomaine** requires mechanical, electrical, instrumentation, structural and civil engineering and consulting services for projects at it's facilities. **ecomaine** also uses qualified engineering firms to act as owners engineers on turnkey projects provided by contractors.

Purpose of RFQ

ecomaine is requesting statements of qualifications from interested engineering firms for services that include but are not limited to mechanical, electrical, instrumentation, structural and civil engineering. The statements of qualifications will be used to select qualified engineering firms for **ecomaine** to utilize on future projects and for engineering consultation.

Request for Qualifications

ecomaine requests statements of qualifications from interested engineering firms to supply engineering design, construction and consulting services as needed on various projects. Statements of qualifications should include:

1. A description of the company's history business organization and organizational structure and ownership.
2. A list of current employees with detailed resumes.
3. The name and address of the project manager that will be assigned to **ecomaine**.
4. A description of past experience on projects for which the firm was the primary engineering company.
5. The identification of subcontracted engineering services and companies used.
6. A statement of the company's financial qualifications.
7. A detailed schedule of rates and fees.

Submittals

Three copies of Qualification submittals should be mailed to:

ecomaine

64 Blueberry Road
Portland, ME 04102
