DATE: January 24, 2024

TO: Chairman and Members of the Board

FROM: Kevin H. Roche, CEO/General Manager

SUBJECT: Finance & Audit Committee – January 18, 2024

There was a **Finance & Audit Committee Meeting** held on the date noted above, the meeting was called to order by Anne Bilodeau, Chair.

Item #1: Approval of the Minutes

Dave Durrell motioned to approve the minutes of October 19, 2023, as written. The motion was second by Linda Boudreau. All in Favor.

Item # 2: Cash Disbursements

Anne Bilodeau, Chair noted that she had reviewed Cash Disbursements and found no issues.

Item 3: Resolution of the Sale of Westbrook Property to ecomaine

Kevin Roche reviewed the 38-acre property in Westbrook with the committee and outlined the advantages of the purchase of the property. He stated that it will serve as a buffer property, ecomaine has a need for the wetland banks in the future and reviewed the possibilities of development of additional ecomaine operations in the future.

Jim Gailey raised questions on the properties ownership as it is listed as Westbrook Environmental, he had questions on possible mitigation on the land. There was a brief discussion on the land deed. After the discussion the committee requested that staff investigate the property deed and that the resolution be memorialized to reflect the clear title.

Rod Regier motioned that the resolution provided be amended to reflect that the terms and condition of the sale reflect the parcel has clear title. The motion was second by Jim Gailey. All in favor.

Item 4: Bonding Resolution – Q & A

Greg L'Heureux (Staff) noted that he was in receipt of the post issuance compliance policy/procedure, outlining our responsibility as owner of the bonds. There was a brief Q & A, specifically on when staff anticipates bonding. Greg provided a proposed schedule of anticipated bonding but noted in March, he should have a more definitive

timeline on bonding and rates.

Financial Statements FY 24 – Year to Date

Greg L'Heureux (Staff) provided an in-depth overview of the year-to-date financials. He noted that the current operating expenses through December are looking well. The review included a review of last year's areas that offset the budget such as overtime and parts but noted that some areas have stabilized (chemical costs) and usage have declined. He noted the vacancies also played a role in providing us with a surplus. The budget overall was positive, investments had done well in November and December. The was a brief discussion on transportation costs.

Kevin Roche noted that the Carbon Capture Grant was not awarded and that presently there are no other alternatives for the carbon capture project. Therefore, DEP may put NOx back on the table. Brief discussion.

Adjourn: Linda Cohen motioned to adjourn. The motion was second by Jim Gailey.

All in favor.

Present: Dennis Abbott, Anne Bilodeau, Linda Boudreau, Bob Burns, Dave Durrell, Matthew

Dear Board of Directors:

I've attached the proposed budget for FY25 for your review and consideration. A summary of our projections for the current fiscal year as well as the proposed budget for next year are both outlined below.

This past year, the board approved two major initiatives: 1) Leasing the former Sturbridge Yankee warehouse for the new materials recovery facility (MRF) and 2) giving approval for bonding for capital improvements at the new MRF, the landfill and the Waste-To-Energy facility. These projects are included in the FY25 Capital budget which totals \$38.8 million. These two approvals are fundamental to the growth of ecomaine and our ability to meet the regions solid waste and recycling needs moving forward.

Inflation has come down to a more modest level (CPI U presently at 3.15%), but the labor market remains a challenge. In order to maintain a knowledgeable work force, we are proposing an overall wage adjustment of 3.5% in this budget proposal. Like last year, we hope this continues to make us competitive in attracting and retaining our talented team. The present budget proposes no changes to our staffing levels.

With this budget, you will note two major challenges:

Interest

The borrowing of \$35.5 million comes with added interest costs. We will need to provide temporary financing during the early stages of the projects starting in July, 2024. The bond financing will follow.

Property Insurance

We are presently in the renewal process for our property insurance. Last year, we were given notice that our current carrier (Starr Technical Risks) was no longer going to be able to take 100% coverage of our property and business interruption coverage. Given that, our broker has been reaching out to other carriers for coverage. The budget we have prepared anticipates a \$580 thousand increase in property insurance costs. It is our hope that we can bring this down to a more reasonable increase.

Current Projections for FY24

Our forecast for FY24 is looking favorable. It anticipates that revenues will come in at \$27.29 million which is \$152 thousand favorable to budget. The notable revenue variances are the Sale of Recyclable materials favorable by \$223 thousand, Electrical Revenue favorable by \$151 thousand and Recycling Tipping Fees favorable by \$343 thousand. Commercial Tipping Fees are projected to be unfavorable to budget by \$559 thousand.

On the operating expense side, we're forecasting \$23.04 million which is \$786 thousand (3.3%) favorable to the FY24 budget. Most of this positive variance can be attributed to wages and benefits coming in favorably (\$553 thousand) and WTE by-pass (favorable \$566 thousand).

The forecast does anticipate some problem areas with unfavorable results including Landfill Major Repairs (\$156 thousand unfavorable) and Insurance (\$150 thousand unfavorable). Total Net Income on an EBITDA (Earnings before Interest, Tax, Depreciation and Amortization) basis is forecasted to be a positive \$4.2 million or \$1.92 million favorable to budget. Total Net Income on a GAAP basis is forecasted to be \$1.2 million or favorable to budget by \$2 million.

This year's Capital spending is forecasted at \$7.14 million which is favorable to budget by \$683 thousand.

Proposed FY25 Budget vs the FY24 Budget

Comparing the FY25 budget with the FY24 budget, expenses are up by \$1.29 million, however the increase is covered by revenues which are up by \$2 million. This results in a Total Net Operating Income of \$4.02 million as compared to last year's \$3.31 million. Total Net Income on a full GAAP basis is budgeted at a loss of \$1.1 million as compared to last year's budgeted loss of \$792 thousand.

On a budget-to-budget comparison, the reasons why Revenues are up \$2.9 million (7.4%) are due to an increase in Tipping Fees which are favorable by \$376 thousand, Recycling Commodity Revenues which are favorable by \$499 thousand and Recycling Tipping Fees which are favorable by \$1.13 million.

On the expense side, most of the \$1.2 million increase (5.4%) can be attributed to Property Insurance (up 262%), Wages (up 2.5%), Benefits (up 6.2%), WTE Chemicals (Lime up 12%), WTE Electric (up 24%), Landfill Water and Sewer (up 36%), Transportation Vehicle Repairs (up 85%), while Waste Disposal is down \$682 thousand or 46%.

On the Non-Operating income and expense side, we have analyzed investment income over the past several years and it recognizes annual earnings of approximately 5.7%. For FY25 budget purposes, we are budgeting investment earnings at 4% or \$920,000. Offsetting this revenue is interest expense which is increasing as a result of the \$35.5 million of bonding. This added debt will result in an increase in Interest Expense of \$983 thousand.

Proposed Capital spending in FY25 is \$38.8 million which includes the \$35.5 million approved by the board in January of this year for bond financing.

In summary, I'm pleased to report that our proposed budget is consistent with the Five-Year Plan we completed last fall. Despite the challenging insurance environment, we are able to cover most of our cost increases with increases in revenues. Our plan is to review the Five-Year Plan again this summer and after year-end, report back to the board with an updated Five-Year Analysis. This financial tool has proven to be a critical piece in our financial performance and our future planning strategies.

As we move forward, we will continue to focus on our mission in providing comprehensive, long term solid waste solutions in a safe, environmentally responsible, economically sound manner and continue our leadership in raising public awareness of sustainable waste management strategies. If you have any questions or comments, please know that our team here at ecomaine is here to respond.

Sincerely, Kenn & Roan

A look at the Current Year Forecast

Comparing the FY24 Budget to the FY24 Forecast

Revenues are coming in line with Budget

- Anticipated COLA for contracts came in below what was estimated (4.5% vs 2.34%)
- Some softness Commercial Tons (down 1,337 tons), able to add extra 1,250 winter tons
- Recycling Sale of Materials showing improvement in recent months

Operating Expenses are expected to be favorable by \$786K or 3.3%

Major variances from Budget:

- WTE Wages and Benefits favorable \$277K due to lower OT
- WTE Chemicals (carbon & lime) favorable \$80K
- WTE Bypass waste favorable \$566K (fewer tons)
- WTE Spare Parts unfavorable \$105K
- WTE Electricity unfavorable \$100K (capacity & rate increase)
- Recycling Wages and Benefits favorable \$234K lower OT
- Recycling Purchase of Recycled materials favorable \$73K (market)
- Recycling Contract rebates favorable \$61K (market)
- Recycling 90 Blueberry not anticipated at passage of FY24 budget unfavorable \$471K
- Landfill Sewer unfavorable \$172K (more leachate and higher rates)
- Landfill Leachate Header Project unfavorable \$156K
- Administration Wages and Benefits favorable \$88K
- Administration Property Insurance unfavorable \$143K

A look at the FY25 Budget Comparing the FY24 Budget to the FY25 Budget

Revenues are up \$2 MM or 7.4%:

Owner MSW revenues up \$583K or 11.5% (due to increase in rate)

Associates/Contract MSW flat (COLA was less than anticipated FY24 carries over)

Commercial MSW revenues down \$328K (due to decrease in Tons anticipated)

Recycling material revenue up \$500K or 23.3% (due to markets)

Recycling tipping fees up \$1.1 MM (due to more tons and increased rates)

Operating Expenses up \$1.29 MM or 5.4%

Administration Insurance up \$580K or 105% and potentially could be more

WTE Bypass down \$682K (decrease in tons)

WTE Chemicals up \$103K (increased cost for Carbon)

WTE Electric up \$55K (major rate increase)

WTE Major Repairs up \$254K (MACT Rules and timing)

Recycling 90 Blueberry Property up \$562K

Landfill Sewer up \$153K (more leachate and higher rates)

Transportation Vehicle Repairs up \$47K

Non-Operating Expense: Increase of \$1.03 MM in Lease and Bond interest payments

Payroll and Benefits Changes FY25

- Overall increase of \$190K in wages and \$177K in benefits
 - Some decrease in overtime from highs experienced in FY23
 - Budget includes no additional staff
 - ❖ Health Insurance significant rate increase of \$195K
 - Workers Comp Budgeted decrease of \$62K due to improved experience

Average Boiler Availability % - Percent of hours that boilers are available to burn MSW during period - reflects time out of service for boilers due to equipment problems

Steam Plant Capacity Utilization % - Steam from the two boilers as a % of the adjusted capacity (144,000 lbs./hour for time in period less time not on MSW)

Power Capacity Factor % - Actual power produced (MWH's) by the turbine as a % of the rated capacity (14.1 MW's) for all hours in the period

Power Sold - % of Capacity to Sell - Power sold (MWH's) on grid as a % of the power available to sell (generation net of internal load - 12.1 MW's) for the given time period
